

8th March 2021

Hi everyone!

I hope you all had a great weekend with your families! Hopefully we don't have much longer left of remote learning! Well done to you all for engaging so well and for trying your best! You should be very proud of yourselves!

If the Government announce we are back to school on March 15th, I will put a "Back to School" Checklist on [Seesaw](#) for you to make sure you have everything in your bag.

You will see your worklist below. Make sure to read through your worklist carefully before you start writing. Remember to put a title and date on all of your work, answer questions using full sentences and to write slowly and neatly.

Please watch any videos I upload on to [Seesaw](#) for you, they are very important and they will help you with your classwork.

Don't forget to upload the three pieces of work that I ask for, to [Seesaw](#) by 3pm on Friday. This will be highlighted in your worklist so you will know what to upload.

I will be available every day on [Seesaw](#), so if you have a question, or are confused or if you just need a little help, please message me! I will help you with anything you need me to!

I will talk to you all over the week!

Looking forward to seeing you all next Monday!

Take care and stay safe!

Miss Dunne
